

**NCSO Div A 2018 Slate of events – subject to regional director approval at summer meeting**

3,2,1, Blast Off!

Super Sleuths

Trajectory

The Heat is On

What's the Matter?

Fossil Frenzy

Sky Quest (earth, moon, sun, constellation)

Weather Permitting (Severe Weather)

Movers & Shakers

Chew the Fat

Backyard Biologist (plants & birds)

Ecology Experts (Desert, Forest, Grassland)

Work It Out

Describe It, Build It

STEM Design Challenge

Bridgearoni

Data Crunchers

Science Password

+ 1 MYSTERY event, to be decided by regional directors at summer meeting

**NCSO Div B 2018 Slate of events - subject to regional director approval at summer meeting**

Anatomy & Physiology (Respiratory, Digestive, Immune)

Disease Detectives (Food Illness)

Ecology

Herpetology

Microbe Mission

Dynamic Planet (Tectonics)

Meteorology (Climate)

Road Scholar

Rocks and Minerals

Solar System

Hovercraft

Keep the Heat

Optics

Crime Busters

Potions and Poisons

Battery Buggy

Roller Coaster

Towers

Wright Stuff

Experimental Design

Fast Facts

Write It Do It

Mystery Architecture (Duct Tape Challenge)

Trial everywhere: Amazing Mechatronics

**NCSO Div C 2018 Slate of events - subject to regional director approval at summer meeting**

Anatomy & Physiology (Respiratory, Digestive, Immune)

Disease Detectives (Food Illness)

Ecology

Herpetology

Microbe Mission

Astronomy

Dynamic Planet (Tectonics)

Remote Sensing

Rocks and Minerals

Hovercraft

Optics

Thermodynamics

Chem Lab (Thermodynamics/ Physical Properties)

Material Science

Forensics

Helicopters

Mission Possible

Mousetrap Vehicle

Towers

Experimental Design

Amazing Mechatronics

Codebusters

Write It Do It
