

2020 NCSO Team Registration Directions

Veteran Coaches – I am aware that this is the third registration system in 3 years that I am asking you to learn. We are trying to simplify the process for you – the ONLY login you need this year is for Avogadro. We are going back to paper consent forms this year, more about that soon. Thank you for your patience while we try our hardest to find the best way to register and collect information from our teams. Kim

1. **Click on the link for the tournament that you would like to register for. You will see this page (with the name of the tournament you selected):**

2. **If you remember your Avogadro user name from last year, use it! You received at least 1 email from ncscienceolympiad@ncsu.edu last year giving you this user name. You can email Tim at the address above and he can send you the user name again, but for most of you, it is First Name Last Name. We do not have your passwords.**
3. **If you don't have an Avogadro account, please enter the email address that you want us to use for communication this season and register an account.**

4. When you have logged in, you should see this screen:

North Carolina: Alamance Tournament Regional (Div. A) Registration Teams

Registration

School

My School's not listed

Desired Team Name

Registration Package 2020 Alamance (Div. A) Team Registration (\$300.00, 2 of 18 taken)
Each team fee is \$300. Alamance-Burlington Schools (ABS) ONLY

Pay via offline method Yes, I wish to pay via an offline method
If this option is selected, you are opting to pay by mailed check, money order or other offline means after submitting this registration form.

Credit Card

5. If you are a returning team, start typing your school name in to the “School” Box and a drop down will appear for you to choose your school.

North Carolina: Alamance Tournament Regional (Div. A) Registrati

Registration

Registration Package 2020 Alamance (Div. A) Team Registration (\$300.00, 2 of 18 taken)
Each team fee is \$300. Alamance-Burlington Schools (ABS) ONLY

Pay via offline method Yes, I wish to pay via an offline method
If this option is selected, you are opting to pay by mailed check, money order or other offline means after submitting this registration form.

Credit Card

7. Desired Team name is just your school name again – this is what will show on the screens during awards.

8. Choose how many teams you want to register, paying attention to any specific details in italics about limitations for your tournament (no JV teams, only schools from a certain district, only 1 JV team until a certain date, etc).
9. If you want to pay by check or credit card later, click the button to pay offline. ****Important – please print or save the screen that says “print this as your invoice” – you won’t be able to access that again. And you know your school bookkeeper needs it 😊****
10. Pay by credit card now if you want. ****Your credit card statement will say Avogadro, LLC. They are using Stripe as the credit card processor. ****
11. Your spots are secure without payment until 60 days before the tournament. Payment **must** be received from teams in advance of regional tournaments. We have been flexible in the past, but in the past 2 years we have had too many teams register and then not show up, which affects State Bids for B & C, medals, supplies and attendance for all tournaments. If you do not cancel your registration at least 60 days before the tournament, your team is responsible for the \$300 registration fee whether you attend or not.
12. You can send a check for team registration to:

NC Science Olympiad
NCSU Box 8211
Raleigh, NC 27695
13. You can also pay at a later time by credit card by visiting our online store and choosing a team registration package.
14. Please email us (info@sciencenc.com) with any problems or questions you have and we look forward to another great season with everyone!
