

## Car Parking & Driving 2019

The tournament is mostly held in the Sullivan Science Bldg. (red square). It is located in the north-eastern corner of the UNCG campus on Carr St. just west of Tate St.

Cars should be parked in the McIver Parking Deck (red oval). Students can walk from the parking deck or if they have bulky items to unload, they can do so near the Sullivan bldg. However, buses will be unloading from near the front of Sullivan.

There will be no charge for using the McIver Parking Deck. Early arrivers, might have to take a ticket, but the gates should be open for exiting later. There is a height restriction, so no tall vehicles.
